Articles of a purely descriptive nature, unless about a development in a country or a region which may necessarily be of a descriptive nature, are not preferred. Articles should generally be between 3,000- 8,000 words in length. Words below 3,000 will be considered as Notes or Comments for the purpose of publication. NILR will employ open access policy wherein the manuscript will be indexed and peer reviewed.

### **ANONYMITY**

We review manuscripts anonymously, without regard to the author's name, prior publications, or pending publication offers. We therefore ask that you remove all identifying information (including your name, affiliation, and acknowledgments) from the manuscript and the file name. Please also redact any identifying information in headers and footnotes. Do ensure, however, that the title of the manuscript appears on the first page.

### **EXCLUSIVE SUBMISSION**

We consider each manuscript we receive using an extensive review process, which can take some substantial time. The best way to avoid the uncomfortable pressure of having to make a decision about an offer from another journal before we were able to complete our review process is to allow the Journal time to review your piece.

### **EXPEDITE REQUEST**

If you have received an offer of publication from another journal, please request expedited review of your submission so that our editors will be immediately notified of your deadline. If you are confronted with an imminent deadline, and wish to request an expedited review, we request the author(s) to direct an e-mail to the Vice-President (Publications), NILS India at [vp-publications@nilsindia.org](mailto:vp-publications@nilsindia.org)

An expedited review provides your piece with no competitive advantage in our process. In fact, it may disadvantage your piece insofar as it inhibits us from completing our extensive review process. To avoid this problem, we again encourage you to submit to us on an exclusive basis for a limited time period.

Please provide the following information in your correspondence:

- a) Author name(s) and contact information, including telephone number and e-mail;
- b) Title of the work;
- c) Reasons;
- d) The latest possible date that the author can be given a decision.

### **OPEN ACCESS POLICY**

All works are available for free and open access as soon as each issue is published. This Review provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge. TL&D is a signatory to the Budapest Open Access Initiative.
